With computer hacker to a computer expert who uses their technical knowledge to achieve a goal or overcome an obstacle within a computerized system by using standard means.

HACKER

A circular radar chart with four main axes labeled 'Scan', 'Exploit', 'Report', and 'Cleanup'. The chart has concentric circles and radial lines indicating degrees from 0 to 360. A blue line with a circular arrow at its center represents a continuous cycle. A small icon of a person is positioned near the 'Scan' axis.

Headlines de Web Grail CyberTech

Web Grail CyberTech té la missió de:

- Representar la imatge de l'empresa.
- Posar en contacte a client i empresa.
- Gestionar el Blog, en un primer moment, i més tard oferir més serveis com podrien ser News, Workshops, suggerències...

JSON RESTful API ofereix:

- Servei a la Web Client
- Servei a la Web Admin que gestiona el bloc

I també està preparada per donar servei a client(Mobile App) i client(Code)

1.1_Funcionament com a client normal

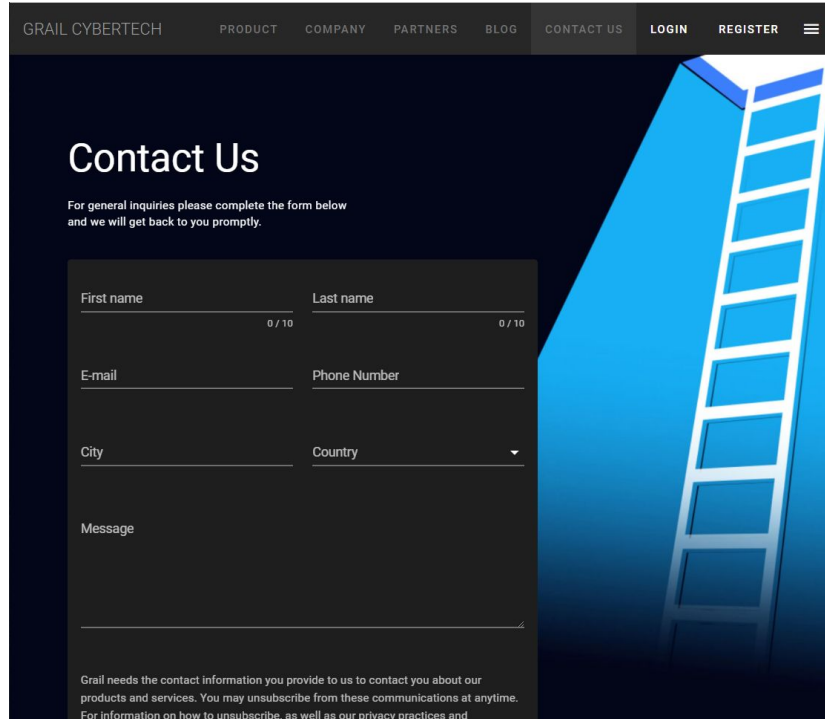

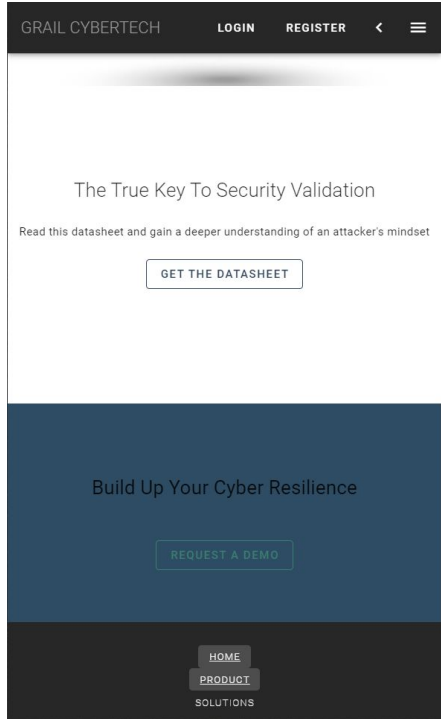

La web té 7 seccions principals:

Home, Product, Company,
Partners, Blog, Contact i User.

Aquestes seccions estan estructurades en subseccions. La principal és la subsecció Hero i és l'encarregada de donar el missatge principal de la seva secció.

La pàgina web té la intenció de mostrar un producte i posar en contacte client i empresa.

1.2_Funcionament com a client normal

Utilitzem dues estratègies per posar-se en contacte.

La principal és mitjançant formularis per demanar els següents serveis o informacions:

Contact Us,
Request a Demo,
Download Datasheet,
Become a Partner,
Work with Us

Body

Remote working is often cited as one of the top reasons for the rise in cyber-crime in 2020, but it's far from the only growing challenge for today's CISOs. Let's set aside zoom-bombing,

Tant per Editar com Crear tenim la mateixa estructura:

Un formulari, amb tots els camps, amb una previsualització de la imatge i amb una guia que et va dirigint pas a pas en la creació o edició del post.
